Increase in prices of tyres

492. SHRI P UPENDRA : Will the PRIME MINISTER be pleased to state :

(a) whether there has been an abnormal increase in the prices of tyres by the tyre manufacturers recently ; and

(b) if so, what steps Government have taken to contain the rise in prices of tyres to ensure that transportation costs do not increase ?

THE MINISTER OF STATE IN THE MINISTRY OF INDUSTRY SHRI P. J. KURIEN) : (a) There was an increase in Tyre prices in Augnst, 1991, as a result of increase in raw material prices, devaluation etc.

(b) There is no statutory control over the prices of tyres.

Performance of electronic and automobile sectors

493. SHRI KAMAL MORARKA : Will the PRIME MINISTER be pleased to state :

(a) the performance of electronic and automobile sectors during April-December 1991 and its comparison with that of the same period during 1989-90 and 1990-91 ;

(b) whether these two sectors are experiencing any recession ;

(c) if so, the reasons therefor ; and

(d) the steps being taken to over come the situation ?

THE MINISTER OF STATE IN THE MINISTRY OF INDUSTRY (SHRI P. J. KURIEN) : (a) and (b)

Statement

Production of electronic instruments and components

	Unit	April 1990	November 1991
Radio Receivers	Th. Nos.	420·29	279·47
Tape recorder	„	829·78	956·18
TV receivers	„	802·73	752·98
TV Picture tubes	„	3103·00	2537.54
Telephone instruments	„	962·00	700·00
Teleprinter	Nos.	4733	4617
Telephone Exchange Lines Pabx/Epax	Rs. Lakhs	32050·97	38858·26
Computer Systems and Peripherals	„	30111.08	23451·94
Transistors Diods	Mill Nos.	218·85	200. 88
ICs of various sorts	„	16·14	20·43
Power Semi-conductors	„	14·01	5·32
Plastic Film Capacitors	„	123·37	115·40
Electrolytic Capacitors	„	205·63	196·40

Automobile Industry (As reported by AIAM)

Industry	*Production during April-November* 1989	1990	1991
Commercial Vehicles	69894	90029	94121
Cars	11	114269	115522
Jeeps	27000	26703	19382
Three Wheeler	50699	61524	55750
Scooters	562325	644583	555235
Motorcycles	268379	323764	289444
Mopeds	310422	302867	267688

(c) and (d) Both the industries witnessed a marginal decline in production in most their segments during the period. This could be attributed to decline in demand and tightening of monetary and import policy by Government. Government has since relaxed the import curbs.
